Community Engagement and Construction

Join us as we partner with church planters, Eduardo & Gloria Buldain. The Buldains serve in an area known as La Matanza, home to over 1.7 million people who desperately need to hear about Jesus. They have a vision to plant a church in every neighborhood in La Matanza, preaching the Gospel of salvation through grace & discipling those who come to Christ.

Part of their discipleship consists of training new pastors in a three-year Pastoral Training Center they have begun. While the school began several years ago, they are still in the process of building this Center. Our team will be doing light construction work on this Center as well as reaching out to local students though sports, drama and other evangelistic opportunities!

And even if our gospel is veiled, it is veiled to those who are perishing. The god of this age has blinded the minds of unbelievers, so that they cannot see the light of the gospel that displays the glory of Christ, who is the image of God.

2 Corinthians 4:3-4
