

College Aged

East Asia

Hands On Program

Go for 12 months through our Hands On program where you will be engaged in college ministry with those who have never heard of Jesus. Our American partners are there on the ground and they are asking for your help. Programs begin in May, but there is some flexibility with dates.

Are you passionate about sharing the gospel, making disciples, and planting healthy churches? Is God calling you to invest two months or even a year of your life for His glory in East Asia? If so, this opportunity may be for you. You will have the opportunity to build relationships with university students, lead evangelistic Bible studies, teach English and disciple young believers. Don't miss this life-changing opportunity!
